Hillingdon's Warm Welcome Centres

Helping you stay warm and well this winter

Hillingdon's libraries and some faith and community buildings are offering residents a warm and friendly place to enjoy some company, buy a hot drink and get help and advice on how to stay warm and healthy during the colder winter days.

Find your local Hillingdon Warm Welcome Centre and access the Winter Wellness Directory*, a useful guide to help you stay well throughout the colder months at

www.hillingdon.gov.uk/warm-welcome-centres

*The directory is also available in Urdu, Punjabi, Arabic, Somali and Farsi at
