

# Axis Monthly Bulletin

## Incidents for your attention

**There have been 3 serious stabbing incidents within Hillingdon (Ruislip, Hayes and Northwood) between March-April 2023 involving children aged 14 -16 years old . AXIS encourage all partnerships to continue maintaining professional curiosity and creating safe spaces to have discussions with children in regards to safety. A reminder that small pieces of information , help build a better understanding of risks in the community occurring within the borough.**

**There are currently 53 children actively engaging with AXIS Service at various stages as of March 2023. 60% (31) of the children identified were aged 15 years old and under . Males were majority identified at 69.1% compared to females are 30.4% .**

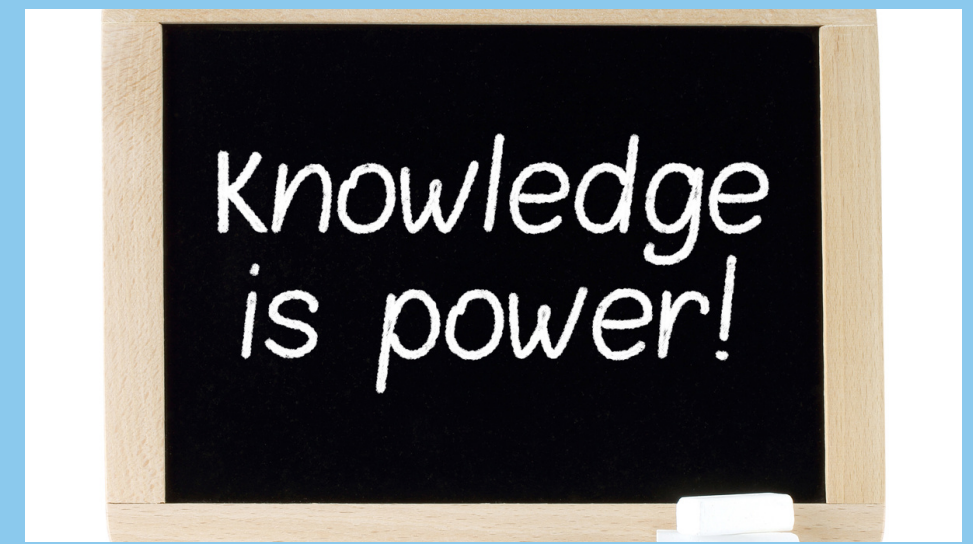

**AXIS saw the rise of identifications of females at risk of exploitation and serious youth violence since 2022. AXIS continue to explore new and emerging trends , to better understand the risks in the community .**

**The AXIS database should be used as a point of contact during any assessment process. Professionals are encouraged to contact via the email address below. Furthermore, AXIS have a wide range of resources which can be shared to support intervention and engagement with young people at risk of exploitation/SYV.**

# Useful information for all practitioners

**Do you know about  
the Brook's  
Sexual Behaviours  
Traffic Light tool ?**

**' This training provides  
a highly visible, multi-  
agency response that  
helps professionals to  
identify, understand  
and respond  
appropriately to sexual  
behaviours in young  
people.'**

**CPD: Brook Sexual  
Behaviours Traffic Light  
Tool (RSE) Course  
(Open link as a new tab)**

**Axis recently attended the - Adultification  
Bias Training - 'As the leading voice on  
adultification in child protection and  
safeguarding we consider how  
adultification bias influences what support  
professionals and wider services provide  
children and young people.'  
<https://listenupresearch.org/>**

**Do you have any concerns about a  
child/young person you are working with  
that may have and difficulties Speech,  
Language and Communication ? AXIS  
recognise that children can indicate as  
more vulnerable when there is a lack of  
understanding around the speech,  
language and communication needs.**

**There are many resources that  
professionals can access regarding S,L,C.
